WORK EXPERIENCE

EXPERIANCE DESIGNER @ GALLAGHER

Portland, Oregon // April 2018 - October 2019

Letters of Recommendation are available upon request. I worked with clients such as Nike, Adidas, Coca Cola, and Verizon. I worked on projects from initial concept to execution both on my own and with my coworkers. I frequently worked within tight deadlines, and expanded my technological know-how, and worked with and integrated new software into my repertoire.

INDUSTRIAL DESIGN CONTRACTOR @ ASU

Phoenix, Arizona // 2016 - 2017

Completed medical product research and development on a team with my peers. The product went through user testing for FDA approval.

INTERN @ GALLAGHER

Portland, Oregon // 2015

I helped design and render products for customers. I was involved in meetings with a diverse customer set including several projects for Nike. I learned valuable skills in managing short deadlines and in quick decision making.
